The following are websites for each community you will be visiting.

- [www.alicepeckday.org](http://www.alicepeckday.org). Click on assisted living-independent living: Harvest Hill. "About us" will give you directions. This is affiliated with a small community hospital with a nursing care facility on site. There are 74 apartment homes and 125 priority depositors. Ron Andrews is the Executive Director.
- [www.themeadowsateastmountain.org](http://www.themeadowsateastmountain.org). This is an hour over route 4 in Rutland, VT. You'll see a beautiful picture with a mountain backdrop. The Meadows (assisted living) is to the left, and the Gables (independent with aging-inplace services) is to the right. When you enter the site, you will see a cottage home community (Heritage Hills). This is set-up as a condominium community. There is no information on the Gables on this website. Bruce Bodemer is the Executive Director. The Gables has 62 apartment homes and a long waiting list.
- [www.equinoxvillage.com](http://www.equinoxvillage.com). Down route 7 about 45 minutes is the newest community. It is in Manchester Village. Phase I of Equinox Village is just opening, phase II is under construction. Melissa Morrison is the Executive Director.

This tour will be attended by: Board of Commissioners, County Manager, Building Committee Members (Rep. Larry Converse and Greg
